

Shingle and Gutter Color Selection Form

Shingle Color Choice #1: _____ Brand: _____

Shingle Color Choice #2: _____ Brand: _____

Gutter Color: _____ (White / Black / Brown)

Drip Edge Color: _____ (White / Black / Brown)

Vent Color: _____ (White / Black / Brown)

BE AWARE - The colors chosen above are considered to be authorized by you. We will select from your chosen colors based on availability of the material at the time of ordering, starting with choice #1. Any color changes need to be submitted in writing to admin@floridabluerroofing.com or via a new color form to your salesperson. We cannot change the color within a week of your install without time delays and possibly additional costs to you.

ALSO - If your roof requires rolled roofing in any area (dead valleys). It most likely will not match exactly your shingle color. Rolled roofing comes from other brands and the colors don't match exactly. We will always choose the closest matching color option available from the ordered color.

HOA APPROVALS:

Florida Blue Roofing is not responsible in any way for HOA approvals or if your HOA denies your choice of color.

Reminder – If you have an active Satellite dish you may need to call your provider to re calibrate your dish after install.
